Shady Grove Church will sponsor a men's event on Saturday September 17, 2022 at Harpers Ferry National Historical Park in Harpers Ferry, West Virginia. Men of Shady Grove Church are invited to come out for a hike from the town of Harpers Ferry to the scenic Maryland Heights overlook, along with their sons middle school age and older. Friends are welcome to participate as well. Be sure to pack lunch, plenty to drink, and sunscreen as it may be a hot mid-September day. All are requested to register using the link above.

After the hike, Civil War buff and friend of Shady Grove Church Steve Klitsch, who spoke to our group at Antietam National Battlefield two years ago, will provide an overview of Harpers Ferry's significance in the Civil War conflict.
