CAMPUS**

The goals of the Jericho Prayer Walk are simple:

- Break down the barriers between churches, communities, and schools
- Build relationships that can work together toward God's will
- Press into the county with a covering of prayer
- Develop and multiply groups of prayer warriors who are dedicated to Jesus

Jericho Walks happen the first Saturday of each month at different schools in Montgomery County throughout the school year. See more details here:

The new school year at MC will start on 8/29. Please join us on 8/27 to walk on the campus of MC-Rockville (7 laps/7 prayers) and cover the school with prayers!
